Plan Terms

Terms Applicable to Cingular Region GSM Plans: Cingular Wireless GSM dual-band
handset required. Wireless service is subject to credit approval. Unless terminated in the
first 15 days of service, an early termination fee of: \$240 prorated over the length of the
service agreement applies to subscriptions in the following states: FL, GA, SC, NC, AL, KY,
TN, LA, NY and parts of IN and NJ. A non-prorated \$150 early termination fee applies in all
other areas. Independent agents may impose additional equipment-related charges.
Minutes will be depleted according to usage in the following order: night and weekend
minutes, mobile to mobile minutes, anytime minutes and rollover minutes. Cingular long
distance is required. International long-distance rates vary. Airtime and other measured
usage are billed in full-minute increments, and actual airtime and usage are rounded up to
the next full minute at the end of each call for billing purposes. Cingular Wireless charges
a full-minute increment of usage for every fraction of the last minute used on each wireless
call. Calls placed on networks served by other carriers may take longer to be processed,
and billing for these calls may be delayed. Those minutes, if part of your Region Calling
Area service, will be applied against your anytime monthly minutes in the month in which
the calls appear on your bill. Unanswered calls of 30 seconds or longer incur airtime. Last
month's charges are not prorated. Prices are subject to change. \$36 Activation Fee for each
new line (in PA/OE and parts of NJ a \$36 Activation Fee applies for new lines on a 1-year
contract and \$18 Activation Fee for new lines on a 2-year contract). \$18 Activation Fee
applies on each FamilyTalk line. Cingular does not guarantee availability of the network.
Display on your phone will not indicate whether you will incur roaming charges. Please
retain this calling plan map to determine the scope of your calling plan area. Nights are 9:00
p.m. to 7:00 a.m. Weekends are 9:00 p.m. Friday to 7:00 a.m. Monday. Included long dis-
tance applies to calls within the 50 United States, Puerto Rico and the Virgin Islands. Calls
originated or received while outside of your Cingular Region Calling Area are subject to
roaming charges. Your billing name may be displayed along with your wireless number on
outbound calls to other wireless and landline phones with Caller ID capability. Contact cus-
tomer service for information on blocking the display of your name and number. See
Wireless Service Agreement for additional conditions and restrictions. **Rollover Minutes:**
Unused anytime minutes expire: (1) after twelve months; (2) immediately upon default or if
customer changes rate plans to a non-rollover plan. Rollover minutes are not
redeemable for cash or credit and are not transferable. Minutes will not roll over until after
the first month's billing. Night and Weekend and Mobile to Mobile Minutes do not roll over.
FamilyTalk may require up to a two-year service agreement for each line. FamilyTalk plans
include only package minutes included with the primary number, and minutes are shared by
the additional lines. The rate shown for additional minutes applies to all minutes in excess
of the anytime minutes. If the rate plan for the primary number is changed to an ineligible
plan or the primary number is disconnected, one of the existing additional lines shall
become the primary number on the rate plan previously subscribed to by the former pri-
mary number. **Mobile to Mobile Minutes** may be used when directly dialing any other
Cingular phone number from within your calling area. **Voice Connect:** Regular airtime
charges apply. Mobile to Mobile Minutes do not apply. Calls to 911, 411, 611, 711 and inter-
national calling cannot be completed with Voice Connect Service. Caller ID cannot be
blocked. Caller ID will be delivered on all calls, even if you have permanently blocked your
name and number. Voice Connect Services provided by BeVocal. To terminate Voice
Connect Services without incurring charges, dial 611 from your wireless phone within the
30-day trial period. Prices do not include taxes.
